

NYRx Notice to Providers: Medicaid Coverage of Extencilline

July 22, 2025

New supply issues related to penicillin G benzathine (Bicillin LA) continue as of July 18, 2025. In January of 2024, the FDA had [announced the importation of Extencilline](#) (benzathine benzylpenicillin injection, powder, for suspension) to address the ongoing shortage of Bicillin L-A. NYRx has added Extencilline to the list of reimbursable drugs. **Plans should allow coverage of Extencilline under their medical benefit effective today.**
