

# NYRx Preferred Diabetic Supply Program Update: LifeScan Products

---

## What Pharmacy Providers and Prescribers Need to Know

Effective **January 1, 2025**, diabetic supplies manufactured by LifeScan **will be removed from the NYRx Preferred Diabetic Supply List**.

New York State (NYS) Medicaid members who are currently prescribed and using diabetic supplies manufactured by LifeScan, including OneTouch Meters, Test Strips, and/or Lancets, will require new prescriptions for a respective preferred product.

## Important Billing Information

Please refer to coverage criteria and quantity limits below when prescribing or dispensing diabetic test strips and lancets for NYS Medicaid members. Please review the [Preferred Diabetic Supply Program](#) for a full listing of preferred diabetic supplies.

**Note:** LifeScan OneTouch products will be removed from this list on January 1, 2025.

### Preferred Diabetic Test Strips and Lancets

- Diagnosis of type 1 or type 2 diabetes or gestational diabetes
- For members who use insulin: up to 300 test strips and lancets per 90 days
- For members that don't use insulin: up to 100 test strips and lancets per 90 days
